Working with Persons Who Have Disabilities

June 10, 2016 from 10-12:00

Overview: This engaging two hour session will feature an introduction to disability awareness by Jim Moore, Executive Director for Disability Network Northern Michigan, followed by a panel discussion with disabled individuals about their experiences as consumers.

Two ways to participate!

In person—Northwestern Michigan College Oleson Center Room A/B in Traverse City or via webinar from a location of your choice!

Learning objectives:

- 1) Recognize a variety of disabilities and associated challenges
- 2) Apply techniques for working with people who have various disabilities
- 3) Identify tips for creating a welcoming environment for those with disabilities

Who should attend?

- Organizations that work with persons who have disabilities (*visible and invisible*)
- Anyone interested!

Session is free but registration is **required**.
